 - 22 ft. wide x 7 1/2 ft. deep is the lower part of the stage.
 - 11 in. step has a standard outlet on the face of it.
 - Auditorium length is 71 ft.
 - The measurement starts at the bottom of the stage steps where the stage meets the floor. It ends at the interior of the foyer double doors.
 - Auditorium width is 48 ft.
 - Maximum seating in the Auditorium is 385 on the floor with a middle aisle.

VIDEO FORMATS:

- To have videos played at weddings, funerals and church events, please have the video on a DVD.
- Try the DVD in your HOME DVD PLAYER and make sure it works. Don't try it in the computer you used to burn the DVD because that doesn't mean it will work in a DVD player.
- NOTE - using Windows Media Player to burn a VIDEO will not work in most DVD players.

TABLES:

- There are 17 round tables. They measure 60 inches across.
- There are 23 rectangular tables. They are 8 ft. long.
- There are 5 bar height tables. They measure 29.25" x 30" x 41" tall.
- Linens are available for an additional fee.
