

## Classes/Seminars for Marriages at Downtown

We are involved with Family Dynamics here at Downtown - in 2 significant ways

1. **Dynamic Marriage classes** - these are the 8 week classes - usually on Sunday nights. We have had about 5 of these the last 3-4 years and planning on another one in the Fall of 2007. These classes are truly life-changing for marriages that are good or bad. Each session is limited to 12 couples
2. **A New Beginning Seminar** – these are held throughout the year in various places - Nashville, Dallas, Chicago, Los Angeles, etc. These are 3 day seminars designed for **marriages in crisis**. The success rate since 1999 is 80%.

We have encouraged about 13 couples from downtown to go to this seminar - all 13 were in crisis mode - most headed for the divorce court - ALL currently are still together and are 'making it.'
